RE: ESTABLISHMENT OF MANUFACTURERS DATABASE

The above-mentioned caption refers.

The Ministry of Works and Transport (MWT) in line with Vision 2030, NDP 6 is currently busy establishing a manufacturers database for possible preferential procurement consideration, in line with the provisions of the Procurement Act 15 of 2015, in an effort to boost the manufacturing capability of the country as well as job creation.

An Expression of Interest was subsequently advertised on the Ministerial Portal and the E-Procurement Portal in December 2025 (*attached for ease of reference*) of which to date the response has been cumbersome.

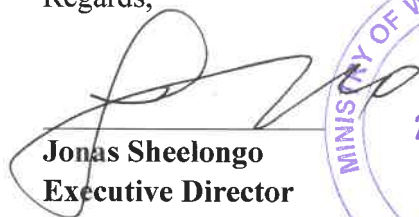

In view of the afore-mentioned, colleague, your assistance is required to disseminate the information within your Region, to mobilize local manufacturers to register with the Ministry or alternatively, if possible, your Office to provide a list of manufacturers within your Region, if available.

"Effective and Efficient Delivery of Service"

All official correspondence should be addressed to the Executive Director

Your usual cooperation in this regard is highly appreciated.

Regards,

Jonas Sheelongo
Executive Director
